To participate in the "iConnect" web conference sessions and tutorials, you must pre-configure your system with the required software, please visit the iConnect support page at: www.illuminate.com/support. You also need to have a PC microphone and headset, to be able to talk and hear while participating in the web conference sessions. A textbook is required for BSBFIM501A: 'Manage Budgets and Financial Plans, 4th Edition 2009' Anandarajah, Aseervatham, Reid. You have the option of either purchasing the print version or downloading the electronic text from www.mypearsonstore.com.au.

Other Information

TIMETABLE Online tutorials will be arranged to meet your workplace requirements.

Important Information

Please note: Information is correct at time of creation but may change without notice.

Program commencement may be contingent on minimum enrolment numbers being achieved.

WideBay TAFE regularly updates programs to ensure the latest training package is offered. In doing so, some programs may be in the process of registration. Registration will be sought for the new National Training Package qualifications when they become available, at which time students will be transitioned to the new program as soon as it is feasible.

Recognition of Prior Learning

This means your existing knowledge, skills and/or training may be formally recognised and/or taken into account when you study our programs. Please contact customer care for further details.
