

BUSSELTON WATER

Water Quality/Treatment Officer

Busselton Water is an autonomous water service provider which seeks the services of a Water Quality/Treatment Officer to lead a small team in the day to day running of its water treatment plants.

The position would suit applicants who have experience in the operation and maintenance of chlorinated water treatment plants and bore fields, management of staff, contractors and fleet.

The position offered is full time with a salary of \$74,732 per annum, inclusive of an out of hours accessibility allowance. Generous superannuation and other incentives will apply in addition.

A reasonable relocation contribution may be offered to the successful applicant.

A position description detailing the duties and responsibilities of the position is available on the website www.busseltonwater.wa.gov.au or by contacting Carleen Stallard, ph 97 810513, carleen.stallard@busseltonwater.wa.gov.au.

To apply for the position, applicants will need to submit an application, marked 'Private and Confidential Water Quality/Treatment Officer', address the selection criteria (requirements of the job), attach a resume and include the contact details of at least two work related referees.

For an application to be considered, it will need to be received by close of business on the 3rd February 2012. The application is to be marked 'private and confidential' Water Quality/Treatment Officer and addressed to the undersigned.

Further information about the position is available by contacting Neels Kloppers on 97 810511.
