

**WATER FILTRATION PLANT OPERATOR
ENGINEERING SERVICES DEPARTMENT
POSITION NO. 38.00890**

Bathurst Regional Council is currently seeking applications for the position of Water Filtration Plant Operator in the Water and Waste Section of Council's Engineering Services Department.

The successful applicant will become a member of a small team who will operate Councils' water filtration plant, reservoirs and water pumping stations, ensuring that the agreed levels of service and statutory requirements are met. The successful applicant will carry out a diverse range of duties over a wide area.

This position is offered on a full time basis, with salary in the range of \$777.30 to \$816.66 per week, a disability allowance of \$12.40 per week and a rostered day off every three weeks.

For details on the position, please contact Nick Lavoipierre on 02 6333 6290. Applicants should ensure they address the essential and desirable selection criteria, included in the information package.

Further information and a copy of the job description may be obtained by contacting the Engineering Services Department on 02 6333 6100.

Applications quoting "Position Number 38.00890" close at 4:00pm on Tuesday, 31 August 2010.

For insertion in the Western Advocate on Saturdays, 14, 21 and 28 August 2010.
