

**WATER SUPPLY SUPERVISOR  
ENGINEERING SERVICES DEPARTMENT  
POSITION NO. 38.00888**

Bathurst Regional Council is currently seeking applications for the position of Water Supply Supervisor in the Water and Waste Section of Council's Engineering Services Department.

The successful applicant will lead a team operating the Water Filtration Plant, two water supply dams, a number of reservoirs and water pumping stations with the primary objective of supplying bulk water which meets the Australian Drinking Water Guidelines for customers in Bathurst.

This position is offered on a full time basis, with salary in the range of \$1,055.00 to \$1,108.42 per week and a rostered day off every three weeks. The successful applicant will be required to work on-call and overtime.

For details on the position, please contact Nick Lavoipierre on 02 6333 6290. Applicants should ensure they address the essential and desirable selection criteria, included in the information package.

Further information and a copy of the job description may be obtained by contacting the Engineering Services Department on 02 6333 6100.

Applications quoting "Position Number 38.00888" close at 4.00pm on Tuesday, 31 August 2010.
