

Treatment Supervisor

Ref: STF09-22

Dubbo City Council is responsible for providing beneficial and cost-effective water supply and sewerage services. The position of Treatment Supervisor is responsible for ensuring the efficient production and treatment of water to Australian Drinking Water Guidelines and the treatment and disposal of sewage to industry best practice and DECC Licence conditions. You will also supervise the treatment team in their daily roles.

Essential Criteria: Diploma in Applied Science or Chemical Engineering or equivalent or certificates in a recognised water and sewage treatment operator's course, Class C driver's licence and physical fitness to undertake the inherent requirement of the role.

Salary and Conditions: The salary range offered is \$59,207 to \$68,102 per annum plus superannuation.

A commencing salary for the position will be negotiated dependent upon skills, knowledge and experience. The hours per week are 38, Monday to Friday with on-call work being required. Conditions are determined by the *Local Government (State) Award 2007*. A pre-employment health assessment will be required.

Interested applicants must obtain an Information Kit prior to applying and address the selection criteria in their application. To obtain a kit please contact Council's Customer Service Centre on 6801 4000 or visit the website at www.dubbo.nsw.gov.au. For additional information, contact Council's Operations Engineer Michael Wilson on 6801 4000. Written applications are to be forwarded to the General Manager, PO Box 81 Dubbo, NSW 2830 or by email to dcc@dubbo.nsw.gov.au by 5pm Friday 19 June 2009.
