

SERVICE TECHNICIAN, WATER CARE

Ecolab is the international innovator, synonymous with unparalleled customer care and quality, with global sales of \$7bn and operations in over 160 countries. We provide comprehensive programs and services to the commercial, institutional, healthcare, hospitality, foodservice, food and beverage processing, and industrial manufacturing markets. We thrive in delivering a differentiated proposition to help make the world a cleaner, safer and healthier environment.

We are currently seeking candidates for the position of Service Technician, in Sydney and the surrounding areas. In this role you will be working with our existing customers in our water management business with a clear focus on service excellence.

The responsibilities of the Service Technician include delivering a range of testing, chemical treatment and technical services to a diverse mix of industries and organisations. This position requires you to be based in the field for most of the time.

To be successful in this position, you will be able to demonstrate:

- Excellent communication and interpersonal skills to liaise with customers and advise them on technical and service issues;
- A mechanical or electrical background aligned with an aptitude for hands on work;
- A strong service background with a proven track record of success in the industrial market sector;
- Drive and self motivation to deliver the highest standard of customer service; and
- Prior water treatment experience would be highly advantageous.

With Ecolab, you will work in an environment where high performance is encouraged, recognised and rewarded. We provide competitive remuneration and bonus, a fully maintained company vehicle and other exclusive benefits and privileges as part of our commitment to you. We will also provide the successful candidate with all the necessary training and development.

Seize this opportunity to take an active role in developing your career within a large and expanding international organisation.

At Ecolab, our people are our success; we'll help you build a career tailored to your unique needs. Apply immediately by addressing each of the selection criteria above in either your resume or cover letter. Email your application titled '**Service Technician-NSW**' to aus.human.resources@ecolab.com
